

# BULGARIAN FURNITURE SECTOR

A hand in the foreground points towards a glowing, upward-trending arrow that originates from the bottom left and points towards the top right. The arrow is superimposed over a faint background of a bar chart with several vertical bars of increasing height. In the background, a person in a suit is visible, slightly out of focus, pointing with their index finger towards the tip of the glowing arrow. The overall scene is set against a light blue, blurred background.
